

Why Become a Member of the Texas Classic Push Club?

- The Texas Classic Push Club (TCPC) is a non-profit dance organization focused mainly on West Coast Swing dancing, but not exclusively.
- TCPC's main objective is to bring quality dance instruction to our members and keep the cost of dancing at the lowest cost possible for our members.
- TCPC hosts a monthly dance party at no cost to its members and in addition, anything that the club hosts, TCPC members receive a discount.
- TCPC members receive a \$4.00 discount at our weekly dance lessons *vs* non- members. Lessons are held every Wednesday nights from 7:30 to 9:00pm.

Most TCPC members support all forms of dancing. TCPC encourages our members to visit and support all forms of dancing and the instructors that teach the different styles whether or not those teachers are members of TCPC

TCPC also offers a couple of programs for any dance instructor that is a club member:

- We only allow TCPC member instructors to teach at our Saturday night parties.
- One of the most popular programs with our instructors is: TCPC will pay for all floor time, help advertise and promote any workshop that a TCPC instructor wants to teach with the instructor keeping all the cash. The only thing that the club asks of the instructor is that any TCPC member that attends the workshop receives a discounted admission.

TCPC also encourages our members to get involved with other things outside of dancing. If we have a member that has an interest in wanting to learn to DJ or MC we will put them with an experienced MC or DJ and let them try their hand. We like to call this our mentoring program.

TCPC will periodically host a "meet and greet" gathering, usually at a members home. These gatherings usually don't involve dancing. But you can almost always count on some dancing following the event.

If you have any questions about the club or would like to get involved, please check out the membership link www.texasclassic.com click on member information or e-mail me, Robert Nelson at onecolakid@aol.com
